

**W**ith The Value-Added Advantage Of ArmorTec  
**The Color Will Never Fade.**

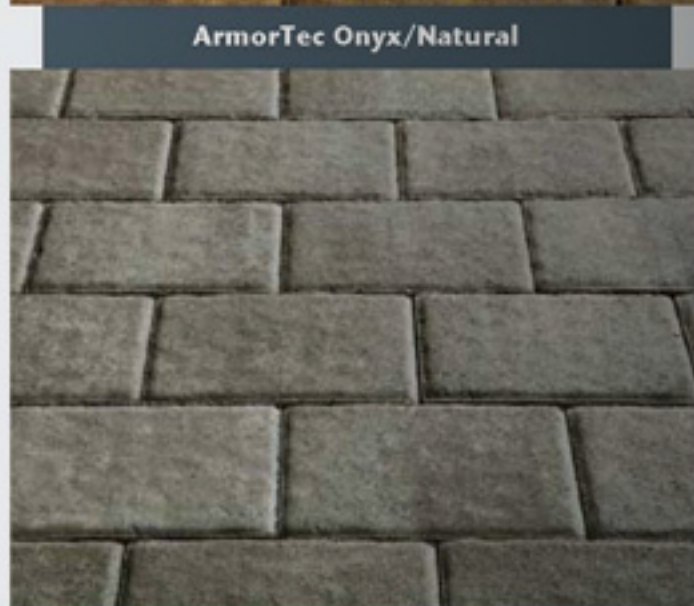

ArmorTec Ruby/Onyx

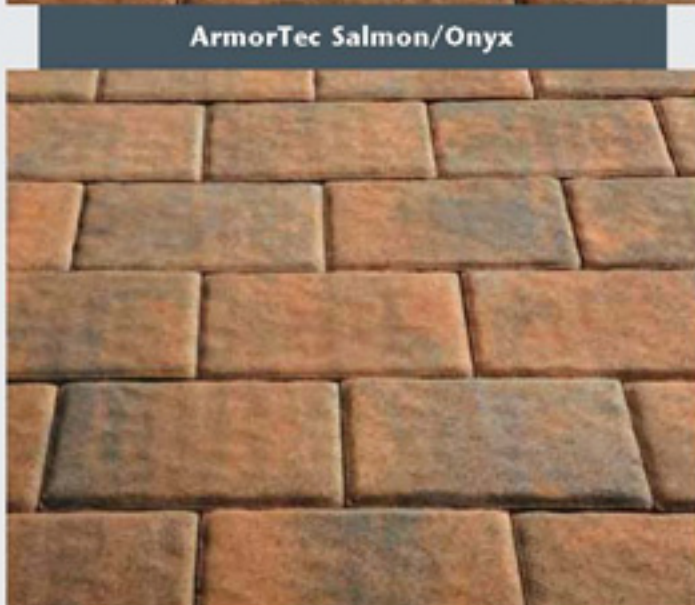

ArmorTec Sahara/Chestnut

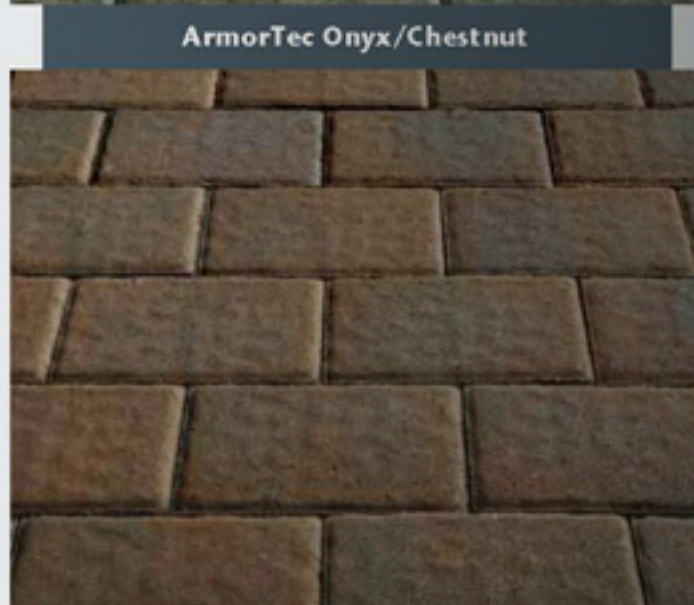

ArmorTec Chestnut/Salmon

ArmorTec Onyx/Natural

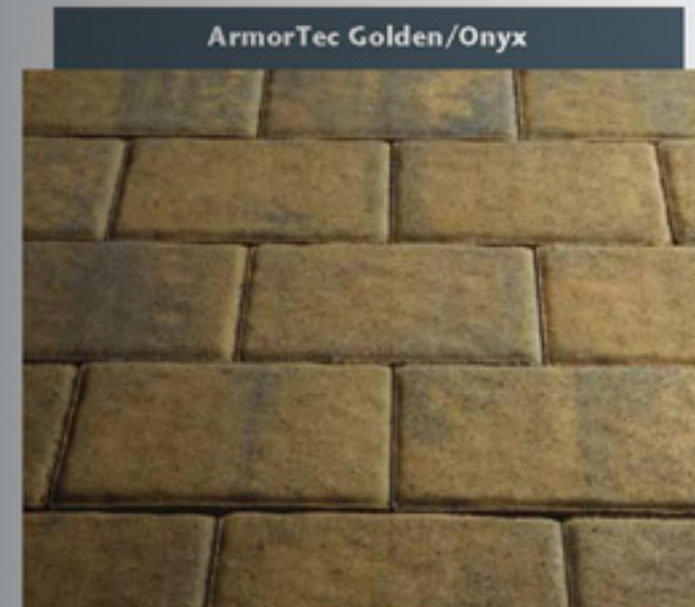

ArmorTec Salmon/Onyx

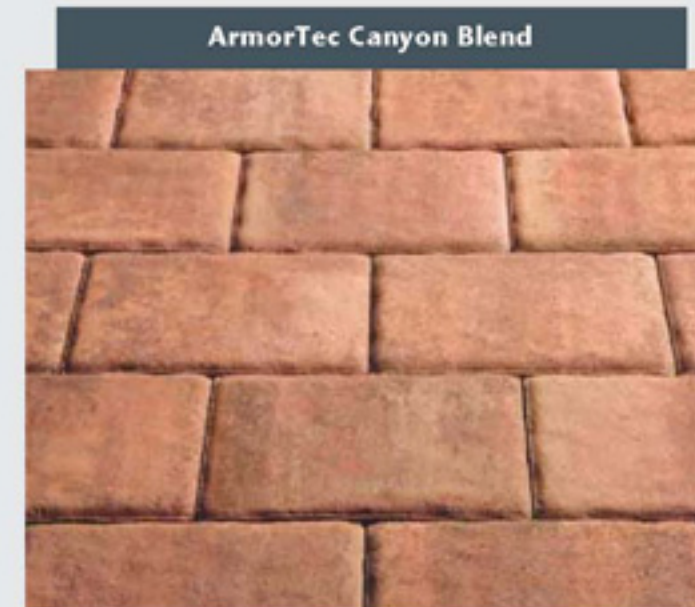

ArmorTec Onyx/Chestnut

Final selections must be made from samples obtained from an Authorized Cambridge Distributor or professional pavingstones and wallstones contractor. When installing pavingstones and/or wallstones, best color dispersion of solid colors and blends can only be achieved by removing units by the band, from top to bottom, using multiple cubes.

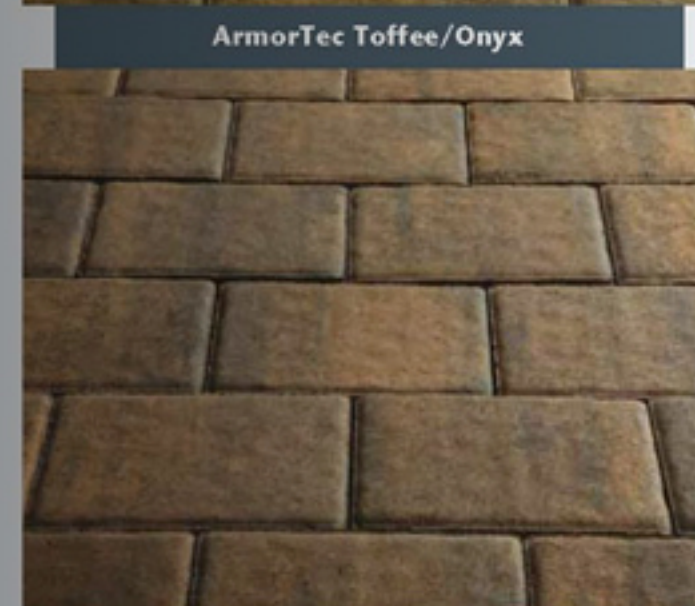

**C**olor Your Outside World  
**With Beauty From ArmorTec That Lasts A Lifetime.**

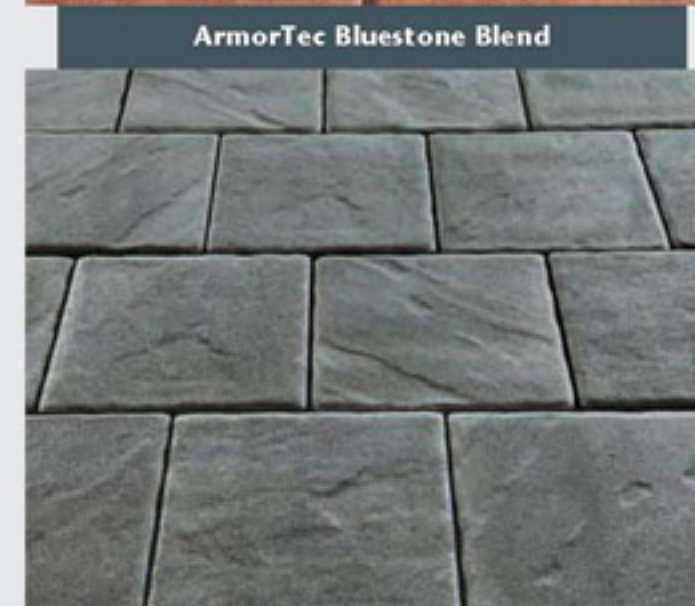

ArmorTec Golden/Onyx

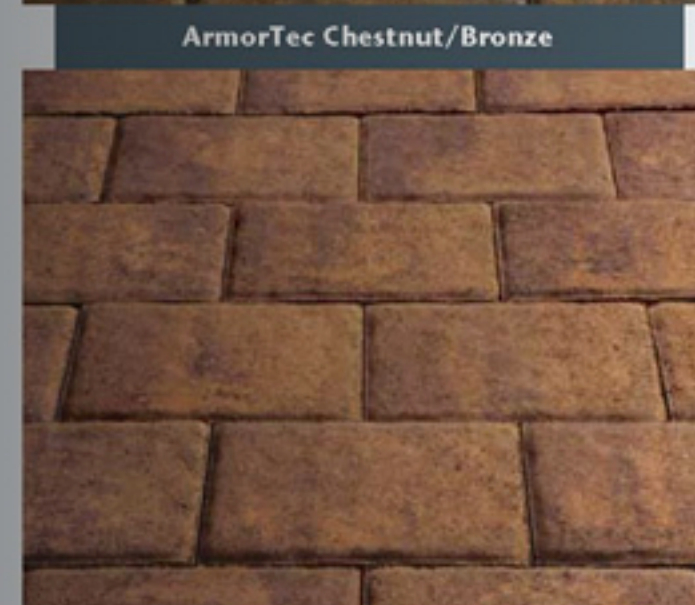

ArmorTec Canyon Blend

ArmorTec Toffee/Onyx

ArmorTec Bluestone Blend

ArmorTec Chestnut/Bronze

ArmorTec QuartzTec™

Cambridge QuartzTec is shown in Shell above with Black Crystals. Red, Blue and Green Crystals are also available as a custom order.

Final selections must be made from samples obtained from an Authorized Cambridge Distributor or professional pavingstones and wallstones contractor. When installing pavingstones and/or wallstones, best color dispersion of solid colors and blends can only be achieved by removing units by the band, from top to bottom, using multiple cubes.
