Dear Lou Labriola:

We would like to take this opportunity to Thank You for a job well done!

SLR Industries did a magnificent job on our driveway and patios.

Our family and neighbors have raved about how lovely our home looks. All of your crew at SLR are outstanding including Bridget the office manager who was immensely helpful throughout the entire job. The men on the jobsite were all polite, friendly and helpful.

A special thanks to you Lou, for being on the jobsite or just a phone call away. We will gladly recommend SLR Industries to our family and neighbors as your work is "top quality".

Thank you again for a job well done!!!

Sincerely:

Mr. and Mrs. Kenneth Violetto
