

August 2010

Dear Lou -

Thank you so much for the great work.
Your crew did a beautiful job - we could not
be happier. All your guys - from the
excavators to the masons - are very
professional and we truly appreciate that.
Please extend our thanks to Freddie and
the crew for their hard work and
beautiful design. Please give a
thank you to Frank, as well.

Thanks again -

Yvonne & Adam Klagon
