Re: Driveway [REDACTED]

Dear Lou,

I have often written thank you letters to companies, but none so well deserved than this one to your company. I can not say enough about the crew of John, his son Peter and their co-worker Peter.

From the artistic way they approached the application of the paver stones to the detail that they apply into their work is outstanding! I believe that they treated my driveway like it was their own. I want to thank you for sending them to do the work on my driveway for I feel that no one could have done a better job. My only problem now is talking to the 3 to 4 people a day who ask me who did the job.

Thanks to Kenny, Jose and Nelson for their job in the removal and a special thanks to Bridgette for answering all my questions.

Customer for life,

Ron Abbazio
